## **Federal Paranormal Unit Bundle: Shape Shifter Paranormal Romance** Milly Taiden

This Bundle Contains Books 1-3 of the FPU Series. Contains: Wolf Protector, Dangerous Protector and Unwanted Protector

### Wolf Protector

A woman with a secret...

The Federal Paranormal Unit is an elite squad of supernaturals dedicated to solving missing persons cases. Erica's gift allows her a special connection with the crime, but it comes at a deep personal cost... Until now, she's kept her gift a secret, even from the other members of the team. But this case will throw her together with Agent Trent Buchanan. He's the object of her secret desires, but he's also a cocky womanizer. She'd rather swim in shark-infested waters with a paper cut than admit she has feelings for him.

A man with one desire...

Wolf Shifter Trent wants Erica more than he's ever wanted any woman. He's spent years patiently waiting for her to admit that she wants him too. Working one-on-one in a race to find a serial killer, Trent's patience and Erica's resolve wear thin. When Trent discovers the truth about Erica, will he accept her for who she is? And can he protect her from the horrors that her gift brings?

A case that pushes them to the edge...

Erica will have to risk it all if she wants to stop the killer, and when she does, Trent may have to put his own life on the line to make sure his mate is protected...

### Dangerous Protector

If you run from love, you're asking for a chase...

James Brock lived the past ten years without the woman he loves. Using his job as head of the Federal Paranormal Unit to help others, he's done a good job of ignoring his lack of a personal life until she returns. His salvation. His first love.

Cynthia Vega had a very good reason to leave the only man she loved after she'd accepted his marriage proposal. Now she's back as his boss. And he's not willing to ignore their chemistry or the past.

Brock is determined to claim his mate and prove that their passion is even hotter than before. He wants her and her explanation behind their separation. Except, some secrets won't stay buried in the past. Brock will fight his demons to follow her lead, but Cynthia's reluctance to explain their lost love may be the one key to their destruction...

### Unwanted Protector

Jane Donovan has been living a lie. Every day for the past ten years, she's run from reality and the temptation that Tony Ramirez represents. But this year, Jane's getaway is filled with more than just relaxation; there's a dead man on her kitchen floor. Suddenly, keeping Tony away is the last thing Jane can do.

Tony Ramirez has wanted Jane for ten years. While she may not be his mate, the attraction is undeniable. When he can't shake the feeling he needs to check on her, he decides to crash her vacation to ensure her safety. When he gets to her cabin, Jane is gone and nobody knows where she could be.

Finding out who the dead man is may be the least of their troubles when a pint-sized, pink-haired little girl who needs help suddenly makes an appearance. Unfortunately for Jane, the trouble with a small lie is that it grows with time. The truth may come to light before she's ready. Now they have a murder, a child, a mystery, and the unwavering attraction to deal with.

Reader Note: These books are a work of fiction. There's hot, sweaty, naughty sex, adult language, lots of violence and blood. Heroines with a sassy attitude and growly Alpha males that will claim their mates at any cost. If this is not the kind of stuff you like to read, skip this book. However, if you're a fan of all things naughty, sexual tension, action and humor, this is perfect for you. Enjoy!
