**Mergellinapils (Italian Edition)** Luisa Pachera

L'amore, la passione e la nostalgia,  
ma anche la violenza, la paura  
e un bicchiere di birra fresca come un brivido.

Mergellinapils è un romanzo che accosta il nome di una località napoletana, Mergellina, a quello di una birra chiara, molto famosa in Europa, la pils. In esso s'intrecciano alcune storie che prendono il via in modo sfumato, con un linguaggio quasi sognante, per poi acquistare ritmo e trascinare il lettore in un vortice di grande tensione.

Il romanzo parla di amore, di odio e di paura, mescola la fantasia alla realtà per raccontare la lotta ingaggiata da un poliziotto italo-tedesco contro la piaga internazionale della pedofilia. È quindi un thriller, ma è pure una storia di forti sentimenti e di passione, e anche un romanzo storico che rievoca alcuni eventi che hanno segnato l'Europa nella prima metà del Novecento.

Nel libro s'incontrano storie e culture diverse, leggendo le sue pagine ambientate nella Germania dei giorni nostri, nella Repubblica Ceca e in un'Italia tanto sognata e rimpianta dal protagonista, si colgono spunti culturali che valicano i confini nazionali per porsi al centro dell'Europa.
