Plays for Three

Plays for Three

PLAYS FOR THREE is a unique anthology of 23 outstanding plays for three actors by an exciting mix of established and emerging playwrights.

Everyone's heard that "Two's company, three's a crowd." That may be true on a date, but on stage, three is a magic number. Add a third character to any interaction and the dramatic possibilities increase exponentially: suddenly there's competition, intrigue, shifting allegiances, comic misunderstandings, secrets and lies. Triangles make excellent drama, and three-handers offer the kind of substantial and challenging roles that actors love. *Plays for Three* offers six full-length and seventeen short plays featuring dramatic trios of every sort.
