The Million Dollar Deception: A Novel RM Johnson

Almost five years after his critically acclaimed novel *The Million Dollar Divorce*, *Essence* bestselling author RM Johnson returns with the sequel that fans have been waiting for...and in *The Million Dollar Deception*, Nate Kenny, Lewis Waters, and Monica Kenny still have not buried the hatchet.

When readers last closed the book on Nate Kenny, his scheming had backfired, and he not only lost a great fortune in a messy divorce but his wife ended up with the very man he paid off to seduce her into infidelity. Now, four years later, it's time for payback.

Meanwhile, Monica Kenny has a decision to make -- stay with and marry Lewis Waters, the younger man she knows may not be right for her? Or leave him, venture out on her own, and face the possibility of falling for another man who may leave her as her ex-husband did, because she cannot bear children?

Lewis Waters recognizes that he's in a much better position than he ever was, now that he's with Monica. She takes care of him and his daughter and provides them with financial stability; but Lewis fears she is also starting to notice the pair's fundamental differences. In an attempt to repair the relationship, Lewis vows that he'll never return to his former thuggish life -- he intensifies life in the bedroom and promises to finish school and start a successful real estate business.

But Nate is prepared to use all his cunning, expertise, and money to destroy Lewis, and take Monica back.

Unbeknownst to all three, there will be life and death repercussions.

A stirring saga of romance, loyalty, and friendship, *The Million Dollar Deception* is an explosive escapade of betrayal, sex, and suspense that will leave you breathless for the next, and final, installment.
