## Unexpected Places V. K. Black

*One treasure map; a pair of priceless emeralds; two very keen hunters — only one can win, but who says that competition can't be a little fun?*

When sweet, pretty Ariana Noonan knocks out treasure hunter Luke Donahue with a champagne bottle and steals his treasure map, he vows to get his map back, find the missing priceless emeralds...and exact a fitting revenge.

When Luke finally discovers Ariana in a dingy hotel on a remote tropical island, she's in desperate straits and he finally gains the upper hand. Of course he will rescue her. His price? They act on the attraction that's been simmering between them from the very beginning.

But all is not as it seems, and Luke's sexy bargain turns up not only an unbelievable secret, but Ariana's reasons for wanting the emerald. Suddenly, nothing is clear-cut anymore, and map or no map, Luke and Ariana are sailing into uncharted territory.
