**Vampires: A Hunter's Guide (Dark Osprey)** Steve White, Mark McKenzie-Ray

For centuries, vampires have lurked in the shadows, preying upon the weak and defenseless. Now, with world population centers booming, the vampires have found rich new hunting grounds. But help is at hand, *Vampires: A Hunter's Guide* contains all the information necessary to recognize and combat the growing vampire threat. After exploring the origins of these dark and terrible creatures, it examines the numerous vampire species and subspecies that exist around the world today. Focusing on the hunters' weapons, tactics and skillsets, this book provides information on identifying and eliminating vampires, noting the best practices from the secretive, powerful and dedicated hunters from around the world, and throughout the ages. With full-color illustrations of predator and prey, this is the ultimate resource in the fight to save humanity from the vampires.
