Weimar Film and Modern Jewish Identity (Studies in European Culture and History)

Ofer Ashkenazi

Weimar Film and Modern Jewish Identity (Studies in European Culture and History) Ofer Ashkenazi
This book argues that Weimar genre film was a site where the complexities and challenges of Jewish identity were envisioned and negotiated. In reading popular films of the Weimar Republic as candid commentaries on Jewish acculturation, Ofer Ashkenazi provides an alternative context for a re-evaluation of the infamous "German-Jewish symbiosis" before the rise of Nazism, as well as a new framework for the understanding of the German "national" film in the years leading to Hitler's regime.
