Raising a Cool Kind Kid™ is Bullying Prevention Tips for parents (and educators) to use to help children learn how to be Cool Kind Kids®. This little how-to book was inspired by an original poem first written in December of 2001, shortly after 9/11. The poem summarizes who and what is a Cool Kind Kid®. Each stanza of the poem has been enhanced with an original illustration depicting the stanza content. Under that are Cool Kind Kid statements for kids to learn so they can apply the precepts of the stanza to their everyday lives. On each facing page are tips for parents and/or educators to help children learn and practice these important life-changing social skills tips. Research now supports social skills as the missing link in bullying prevention. Through this poem and the accompanying tips, kids can learn that they can be both cool and kind. They can learn how to reject being a child who bullies, a bully bystander, and a bully victim.
