Manual de superación personal y otros cuentos (Spanish Edition) Pedro José Badrán

Los cuentos de Pedro Badrán Padauí siempre deparan una expedición por un mundo rico en temas y registros. Si bien tienen un común denominador, una forma de corregirle la plana a la realidad desde ficciones creíbles por su apreciable rango estético sorprende la diversidad de sus narraciones. Un humor oblicuo cruza sus historias. Desde su primer libro de cuentos, *El lugar difícil* (1985), muchos supimos que el suyo en la narrativa colombiana sería un lugar conquistado por el oficio y la forma natural de pastorear sus fantasmas". "Nunca he leído un cuento de Pedro Badrán sin una intensa sensación de gratitud. La inteligencia, el humor desaforado, el oído impecable para las formas de hablar de la gente: ahí está todo. Su obra enriquece la tradición de un género que en Colombia no carece de riqueza".
