You've heard about the tribulation, millennium, rapture, and antichrist, but you may wonder, what's all the debating about? Do most Christians agree on the big issues? And what about other topics—dispensationalism, interpretive views, timing of events...are they too complex for most folks to understand?

Not at all! In this concise and easy-to-read review, respected Bible teacher Ron Rhodes identifies eight of the most important end-times discussions. Avoiding complex arguments, he highlights the most important biblical passages, summarizes a few of the most popular interpretations, and provides succinct conclusions. He demonstrates that the Bible's end-times teaching is intended to be a blessing for every believer.

As you compare and contrast the various viewpoints, you'll be able to enjoy constructive conversations with other Christians and support your own informed convictions. You'll also enrich your reading of the Scriptures and see how passages fit together in God's great plan for the ages.
