The Linwoods: or, "Sixty Years Since" in America Catharine Maria Sedgwick, Margot Livesey

A deluxe Harper Perennial Legacy Edition, with an introduction from Margot Livesey, award-winning and *New York Times* best-selling author of *The Flight of Gemma Hardy*

A compelling historical novel of two families wrestling with questions of honor, class, loyalty, democracy, and independence during the American Revolution, now available in a Harper Perennial Modern Classics Legacy Edition.

In *The Linwoods*, Catharine Maria Sedgwick illuminates the American character and explores issues of civic virtue and national identity in the early republic, through the lives of two families: the Linwoods, dutiful loyalists, and the Lees, passionate revolutionaries. At the novel's heart is Isabella Linwood, a bright and independent young woman who will transform from a proud Tory to ardent Rebel, challenging not only British rule but its accepted social, economic, and political institutions, including the aristocracy, slavery, and patriarchal authority.

This Legacy Edition features a lush design and French flaps.
