Community Practice: Theories and Skills for Social Workers

David A. Hardcastle

Community Practice: Theories and Skills for Social Workers David A. Hardcastle

For almost two decades, *Community Practice* has been a definitive text for social workers, community practitioners, and students eager to help individuals contribute to and use community resources or work to change oppressive community structures. In this third edition, a wealth of new charts and cases spotlight the linkages between theoretical orientations and practical skills, with an enhanced emphasis on the inherently political nature of social work and community practice. Boxes, examples, and exercises illustrate the range of skills and strategies available to savvy community practitioners in the 21st century, including networking, marketing and staging, political advocacy, and leveraging information and communication technologies. Other features include:

- New material on community practice ethics, critical practice skills, community assessment and assets inventory and mapping, social problem analysis, and applying community practice skills to casework practice
 - Consideration of post-9/11 community challenges
 - Discussion on the changing ethnic composition of America and what this means for practitioners
 - An exploration of a vastly changed political landscape following the election of President Obama, the Great Recession, the rise of the Tea Party, and the increasing political and corporate use of pseudo-grassroots endeavors
 - A completely revamped instructor's manual available online at www.oup.com/us/communitypractice
- This fully revised classic text provides a comprehensive and integrated overview of the community theory and skills fundamental to all areas of social work practice. Broad in scope and intensive in analysis, it is suitable for undergraduate as well as graduate study. *Community Practice* offers students and practitioners the tools necessary to promote the welfare of individuals and communities by tapping into the ecological foundations of community and social work practice.

Jason Braden:

That publication can make you to feel relax. This kind of book Community Practice: Theories and Skills for Social Workers was multi-colored and of course has pictures on there. As we know that book Community Practice: Theories and Skills for Social Workers has many kinds or variety. Start from kids until teenagers. For example Naruto or Investigator Conan you can read and think you are the character on there. So, not all of book are generally make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for you and try to like reading that will.

Patrick Leon:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Community Practice: Theories and Skills for Social Workers can make you really feel more interested to read.
