Mulla Sadra (Makers of the Muslim World)

Sayeh Meisami

Mulla Sadra (Makers of the Muslim World) Sayeh Meisami

Mulla Sadra (1572–1640) is perhaps the single most important and influential philosopher in the Muslim world. The author of over forty works, he sought to bring to life the whole heritage of Islamic thought, from philosophy to mysticism, and create a more flexible and conciliatory approach to the problems which seemed to dissociate reason from faith. In this wide-ranging profile, Sayeh Meisami reaches beyond historical narrative to assess the true impact of the man and his ideas. This thought provoking and comprehensive account is ideal for readers interested in uncovering the life and thoughts of a man who represents the climax of intellectual tradition at a crucial point in the history of Islamic civilization.
