Profane Culture

Paul E Willis

Profane Culture Paul E Willis

A classic of British cultural studies, *Profane Culture* takes the reader into the worlds of two important 1960s youth cultures—the motor-bike boys and the hippies. The motor-bike boys were working-class motorcyclists who listened to the early rock 'n' roll of the late 1950s. In contrast, the hippies were middle-class drug users with long hair and a love of progressive music. Both groups were involved in an unequal but heroic fight to produce meaning and their own cultural forms in the face of a larger society dominated by the capitalist media and commercialism. They were pioneers of cultural experimentation, the self-construction of identity, and the curating of the self, which, in different ways, have become so widespread today.

In *Profane Culture*, Paul Willis develops an important and still very contemporary theory and methodology for understanding the constructions of lived and popular culture. His new preface discusses the ties between the cultural moment explored in the book and today.

From reader reviews:

Kenneth Wallace:

What do you think about book? It is just for students since they're still students or it for all people in the world, the actual best subject for that? Just you can be answered for that issue above. Every person has distinct personality and hobby for every other. Don't to be obligated someone or something that they don't desire do that. You must know how great in addition to important the book Profane Culture. All type of book would you see on many resources. You can look for the internet resources or other social media.

Christopher Larsen:

Information is provisions for folks to get better life, information presently can get by anyone at everywhere. The information can be a expertise or any news even a problem. What people must be consider when those information which is in the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you have the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Profane Culture as the daily resource information.

James Goldman:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your day to upgrading your mind proficiency or thinking skill actually analytical thinking? Then you are having problem with the book than can satisfy your limited time to read it because this time you only find book that need more time to be examine. Profane Culture can be your answer as it can be read by you who have those short extra time problems.

Michael Clark:

Many people spending their time period by playing outside along with friends, fun activity with family or just watching TV all day long. You can have new activity to invest your whole day by reading a book. Ugh, ya think reading a book can definitely hard because you have to accept the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Smart phone. Like Profane Culture which is having the e-book version. So , why not try out this book? Let's see.
