Seductive Delusions: Exposing Lies About Sex Gerard Henry

In *Seductive Delusions*, Gerard Henry addresses one of the most important topics of this millennium--sexuality and the new sexual ethic. Henry emphasizes how the bombardment of sexual images on TV, billboards, the Internet and other forms of media continually assaults the message of abstinence.

In response, Henry walks readers through a mine field of lies while shining light on the truth as he speaks to the issues of lust and love, marriage and commitment, premarital sex and STDS, sexual attitudes and self-respect.
