This brand-new, single resource is the only comprehensive, yet targeted, publication covering both the exposures and risk management/insurance treatments in the area of directors, officers, and management liability.

Making it even more unique, this resource features discussions of key exposures for not only public, but also private and not-for-profit organizations.

One of the industry's leading experts gives you:

- » Comprehensive guidance covering the spectrum of D&O/ management liability risk and insurance exposures and issues— all in a clear, concise presentation
- » Analysis of the exposures that public, private, and not-for-profit entities face
- » Detailed insights into emerging exposures, such as those presented by the Dodd- Frank Wall Street Reform and Consumer Protection Act and the Small Business Jobs and Credit Act
- » Expanded treatment of management liability insurance coverages, such as fiduciary liability and Side A D&O policies
- » All information supported by case law
- » Practical, real-world guidance based on the extensive hands-on experience of the author in dealing with D&O claims and litigation

Directors and Officers Liability: Exposures, Risk Management and Coverage, Second Edition, contains:

- » An entirely new chapter on International D&O and other Emerging Risks
- » Thorough updates that reflect current case law and D&O issues
- » An expanded chapter on Claims Process Issues, such as coverage letters and settlement dynamics
- » Important new information about excess/primary insurance relationships
- » Emerging risks chapter that includes discussions of the Foreign Corrupt Practices Act, the new UK Bribery Act, Chinese Reverse Merger Litigation, and the Morrison decision involving “foreign cubed” securities litigation
- » Must-have information on coverage disclaimers and reservation of rights
