## **Italy: From the 1st to the 2nd Republic** Stephen P. Koff

This textbook has been designed to provide students with an up-to-date and accessible introduction to the complexities of Italian politics during the 1990s. It will equip students with a sound understanding of the basics of Italian politics and government, and will provide clear and simple insights into the intricacies of Italian political behaviour.

The comprehensive coverage includes:

- \* an introduction to contemporary history, political geography and economic issues as well as Italian political values and attitudes.
- \* a section on political behaviour which explores political parties, interest groups and the electoral earthquakes of the 1990s.
- \* a section on government institutions and their roles, including discussion of the executive, the legislature, the judiciary and the subnational government.
- \* analysis of Italy's often stormy relationship with the European Union
- \* an exploration of recent events, such as attempts at institutional reform
