Divine Sex: A Compelling Vision for Christian Relationships in a Hypersexualized Age Jonathan Grant Faithful Discipleship in a Hypersexualized World

"There are few issues in life that confront each of us like human sexuality. Every person struggles with making sense of relationships, *eros*, and longings, emotional as well as physical. Every man and woman wrestles with the lies of sensualized culture while holding at bay the effects of pervasive isolation and intense loneliness. In *Divine Sex* Jonathan Grant guides us through this journey with wit, grace, and honesty while being both wholly theological and profoundly real."

--**Chap Clark**, Fuller Theological Seminary

"An exceptionally important and timely book. The gap between what passes for sexual and relational wisdom in contemporary culture and what actually makes for genuine human fulfillment has opened up so quickly and grown so wide that the lives of an entire generation are sliding headlong into frustration and despair. Grant addresses the issues directly yet sympathetically, countering contemporary folly with solid data, biblical wisdom, and grace. I wish it could be made mandatory reading for the entire millennial generation."

--**Craig M. Gay**, Regent College, Vancouver

"Grant compassionately exposes the powerful influences that orient us away from the heart of the Christian story by disordering our desires, explores the Christian reality of our shared life as sexual human beings in communion, and encourages us toward practices that embody the wholeness of cruciform life together--and he does so with candor, wisdom, and hope."

--**Cherith Nordling**, Northern Seminary

"In the intensely sexualized culture of the secularized West, Grant's thoughtful treatment is a valuable contribution to our understanding not just of our cultural conditioning but of God's design and the true sexual liberation we can experience as followers of Jesus."

--**Sam Metcalf**, CRM-US, Fullerton, California

"This is a book that needed to be written. . . . Absorbing Grant's insight, analysis, and constructive argument should not only deepen how we are talking about sex and discipleship; it should also give us new intentionality about the church as a formative community, enabling us to live into a different script that is good news--that our sexual lives are hidden with Christ in God."

--**James K. A. Smith** (from the foreword)
