Legendary Lawman: The Story of Quick Draw Jelly Bryce Ron Owens

Largely unknown except in a few law enforcement circles, Jelly Bryce was at the forefront of the conflict during America's gangster era. As an Oklahoma State Game Ranger, Oklahoma City Police Detective, and FBI Agent for over 30 years, Bryce was the man responsible for creating the FBI's first firearms training program, developing their concealed holster and their fast-draw techniques, and personally training hundreds of their agents. Hired by the FBI without any college, he was involved in 19 shootings in the line of duty and was electronically timed at two-fifths of a second to draw and fire accurately. It was said if a criminal blinked at Jelly Bryce, he died in darkness. If you ever wondered who the anonymous men with badges and guns were who really lived the lives depicted in the movies and on television, this is the story of one of those unique men.
