”I can’t help but beg for them to please, please destroy my body...”

Christine has been reborn as a woman in need. Her **dark and twisted need for pain and pleasure** has woven itself into her very essence, leaving her a broken shell of a woman. **Torment and misery** await her body as her mind craves sweet release from the carnal affliction that drives her. This is how her story begins. A story that begins like so many others, with a woman who craves something more than her lonely life of constant waiting and ends somewhere in the dark abyss where few have returned from.

She's a good housewife, but her husband has forgotten her needs, and now they're going to be re-awakened at a billionaire party for people who have sensual tastes that are outside of the norm. It will be a night that she'll never forget as all of her holes are destroyed by men and women to satisfy their most deviant desires.

This 7800 word story comes with an added sexy excerpt from my Dark BDSM Romance novel, *Torn*.
