Miguel Ángel Martín

Bug: Bicho (Literatura Reino de Cordelia nº 3) (Spanish Edition) Miguel Ángel Martín

Este bicho, creado por Miguel Ángel Martín como complemento para la serie de los álbumes de su personaje más famoso, Brian the Brain, vive aventuras mudas y en blanco y negro, lo que permite demostrar la enorme capacidad narrativa de Martín y su facilidad para contar con el mínimo número de elementos. Bug, el bicho, se publica por primera vez en España en una edición exenta con más de cuarenta páginas realizadas expresamente para este libro, que también está a punto de aparecer en Italia. Para la ocasión, su autor ha añadido algún episodio más y ha creado una galería de bichos con la expresividad característica de uno de los mejores autores actuales de cómic.
