Complete Poems John Keats

Here is the first reliable edition of Keats's complete poems designed expressly for general readers and students. Jack Stillinger provides helpful explanatory notes to the poems which give dates of composition, identify quotations and allusions, gloss names and words not included in the ordinary desk dictionary, and refer the reader to the best critical interpretations of the poems. The new introduction provides central facts about Keats's life and career, describes the themes of his best work, and speculates on the causes of his greatness.
