Deception: The Kink, P.I. Series Shakir Rashaan

Go deeper into the fetish community of Atlanta originally brought to you in Shakir Rashaan's *Obsession*—the first book in the Kink, P. I. series—as Detective Dominic Law navigates the grit of the streets to solve crimes that have crossed over the line of outrageously erotic...

“What the eyes see, and the ears hear, the mind believes...”

Dominic Law is a modern-day Renaissance man, with a plethora of techniques and skills at his disposal. His first couple of cases as a private investigator taught him that everything...and everyone...is not what it seems. His latest cases are no less complicated. One involves a murdered submissive, leading his firm to weed out the real killer from among five jilted lovers—and dominants—with an ax to grind. But will someone unexpectedly plunge the case deeper into confusion? The other investigation brings to surface an issue that is at the center of debate in the fetish community: consent.

Deception takes you back to the streets and dungeons of Atlanta’s fetish community, twisting the cases to their final conclusions and guiding you through the minds of the principal players of Kink, P.I.
