El cervell masculí (ORIGENS) (Catalan Edition)

Louann Brizendine

El cervell masculí (ORIGENS) (Catalan Edition) Louann Brizendine

Les estructures i la biologia hormonal de l'home generen una realitat exclusivament masculina. La idea que l'home és el model humà per defecte encara impregna profundament la nostra cultura. Allò masculí es considera simple, allò femení, complex.

El cervell masculí es basa en 25 anys d'experiència clínica de l'autora com a neuropsiquiatra. Presenta els avenços científics de l'última dècada en la comprensió de la neuroendocrinologia del desenvolupament, la genètica i la neurociència molecular. Ofereix mostres de neuropsicologia, neurociència cognitiva, desenvolupament infantil, neuroimatge i psiconeuroendocrinologia. Explora la primatologia, els estudis en animals, així com els bebès, nens i adolescents, amb la finalitat d'esbrinar com es programen les conductes particulars del cervell masculí a través d'una combinació de natura i educació.

Louann Brizendine

És doctora en medicina, neuropsiquiatra de la Universitat de Califòrnia, San Francisco, i fundadora de la Women's and Teen Girls' Mood and Hormone Clinic. Ha escrit nombrosos articles en publicacions generalistes i en revistes professionals i dona conferències per al públic general i per als mitjans de comunicació sobre el cervell.

From reader reviews:

Ellen Jones:

Information is provisions for individuals to get better life, information these days can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider any time those information which is inside former life are challenging be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you have the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take El cervell masculí (ORIGENS) (Catalan Edition) as the daily resource information.

Ann Morgan:

Reading can called thoughts hangout, why? Because if you find yourself reading a book particularly book entitled El cervell masculí (ORIGENS) (Catalan Edition) the mind will drift away trough every dimension, wandering in most aspect that maybe unknown for but surely can become your mind friends. Imaging every word written in a guide then become one application form conclusion and explanation in which maybe you never get just before. The El cervell masculí (ORIGENS) (Catalan Edition) giving you one more experience more than blown away your head but also giving you useful data for your better life with this era. So now let us demonstrate the relaxing pattern at this point is your body and mind are going to be pleased when you are finished examining it, like winning a game. Do you want to try this extraordinary shelling out spare time activity?

Louise Suttle:

Would you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Attempt to pick one book that you find out the inside because don't assess book by its include may doesn't work is difficult job because you are scared that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer might be El cervell masculí (ORIGENS) (Catalan Edition) why because the amazing cover that make you consider with regards to the content will not disappoint a person. The inside or content is usually fantastic as the outside or maybe cover. Your reading sixth sense will directly show you to pick up this book.

Ronald Meyers:

Reading a book to get new life style in this calendar year; every people loves to learn a book. When you study a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your examine, you can read education books, but if you want to entertain yourself look for a fiction books, this kind of us novel, comics, and soon. The El cervell masculí (ORIGENS) (Catalan Edition) will give you a new experience in studying a book.
