How You Can Kill Al Qaeda: (In 3 Easy Steps) Howard Clark

Offering an alternative to conventional, ineffective methods of shutting down Al Qaeda, this handbook unlocks the secrets of the organization and provides a simple strategy for disempowering the terrorists via the internet. The practical, populist formula calls for individuals to identify, translate, and disseminate persuasive and independent counter-Al Qaeda messages online—using the primary media on which Al Qaeda spreads their communications. It is through the yet-to-be challenged online messaging to the Muslim public that Al Qaeda garners its critical financial and moral support and future recruits. Using the information and tools provided in the text, individuals as well as organizations—internet-savvy or not—can help drown out the pervasive pro-Al Qaeda propaganda.
