Joanna Gray, Jenny Hamilton

**Implementing Financial Regulation: Theory and Practice (The Wiley Finance Series)** Joanna Gray, Jenny Hamilton

Now that the Financial Services and Markets Act 2000 has had a chance to bed itself down and the Financial Services Authority (FSA) is developing its new regulatory toolkit and *modus operandi*, financial regulation has moved on in interesting directions. This book takes a critical look at the principles and practices behind this regulation, as well as the theory that is involved.

This book goes further than a description of the laws that are currently out there, by analysing the impact and implications of the new financial regulations, making it a 'must-read' for law, finance and accounting practitioners. Coverage includes: Regulation and compliance; disclosure risk and regulation and stakeholders in financial regulation.
