Secret Sacrament Sherryl Jordan

Can one man be the salvation of two nations?

Gabriel is a thinker, a healer, a dreamer. His past haunts him, and his future is intertwined with ancient prophecies. He is a son of the Navoran Empire, yet his soul can only find peace with the wild Shinali people on the outskirts of the city. He can interpret the dreams of the Empress and heal the wounded of her city, but as sinister forces take control of the empire, Gabriel's destiny may be far greater than he can possibly imagine.

Sherryl Jordan has crafted a powerful fantasy novel about a young man destined to become the link between two warring cultures.
