## To Tempt a Wolf (The Rune series) Colette Denee

The best way to tempt a wolf? Offer something irresistibly sweet.

Cadon Sterling thought retirement would be easy. Then not only does a new Rune show up in his town, but his successor isn't living up to expectations. Plus, his best friend is driving him crazy. On top of that, he just met a human who could tempt a saint to sin with the smallest whiff of fudge. Oh, yes, and there will be hell to pay should he fail to complete his task. Did he mention the fudge?

Brielle Austin lives a simple life. Make sweets, sell sweets. But simple doesn't quite cover it when she meets Cadon, leader of a local pack of wolf-shifters. She's afraid to offer her heart, but learns the hard way that some things just aren't a matter of choice. As her safe little world slips from under her feet, Brielle struggles to accept the true nature of her magic, and her soul.

Blessed by Odin and targeted by two rival races, Cadon and Brielle fight to stay alive—and together—long enough to see the Rune gets where it needs to be. Enemies lurk around every corner, but it is the demons inside that will either kill them, or set them free.
