**Vietnam (Warfare and History)** Spencer C. Tucker

A comprehensive overview of warfare in Vietnamese history from the early efforts to free themselves from Chinese control, through the Indo-China and Vietnam Wars, the Vietnamese invasion of Cambodia, up to the Sino-Vietnamese War in 1979. Concentrating on the Vietnam War, the author explores the conflict from the Vietnamese perspective, demonstrating how for many Vietnamese the war was merely one of a long series of struggles against foreign domination. Encompassing socio-political, economic, diplomatic and cultural issues, this text provides an introduction to Vietnam's military history and will be of interest to students of 20th century American and Asian history.
