Enough is enough! When Megan Merritt wins this lucrative case, she'll finally prove that she deserves the top spot in the family law firm. She's waited far too long for people to take notice of everything she brings to the table.

Her opposing counsel, however, has other ideas. Seems the handsome Travis Jamieson is also in the running for Megan's dream job. Of course he is. While he's at it, why not try to capture her heart, too? She doesn't intend to lose either, regardless of the passion they feel inside and outside the courtroom. But Travis is going to do everything he can to change her verdict.
