Joe Thornton is having the time of...the end of...his life! After losing his wine business to an unscrupulous business partner and his marriage to an unfaithful wife, Joe drowns his sorrows day after day lamenting the mess his life has become. At the end of his rope, Joe tosses a coin to decide his future. When the flip determines that he must kill himself, Joe resolves to complete one final item on his bucket list by travelling to the tiny island of Nantucket where he plans to "accidentally" drown. Over the course of the island summer, Joe finds himself falling for a young woman half his age and befriended by a variety of colorful locals. Eventually, with some help from back home, Joe engages in a high seas showdown with the man who stole his company. Now he must decide if "integrity of the game" truly requires that he follow through with his morbid plan or if instead he has the faith to begin again. Even more importantly, Joe must answer the question "What do you do when the bucket kicks back?"
