Soma Blues (Hob Draconian Book 3) Robert Sheckley

Hob Draconian, American born but a two-decade resident of Ibiza and a tie-dyed-in-the-wool hippie philosopher, divides his time between Paris and Ibiza—and when Soma, a new drug, turns up in Paris in the hands of a murdered Ibizan drug dealer, it's time for the Alternative Detective Agency to spring into action and defeat the crime syndicate that has infiltrated his beloved expatriate community.

From the very beginning of his career, Robert Sheckley was recognized by fans, reviewers, and fellow authors as a master storyteller and the wittiest satirist working in the science fiction field. Open Road is proud to republish his acclaimed body of work, with nearly thirty volumes of full-length fiction and short story collections. Rediscover, or discover for the first time, a master of science fiction who, according to the *New York Times*, was “a precursor to Douglas Adams.”
