## **Sunset at the Temple of Olives** Paul Suntut

Paul Suntut, like many great artists of their time, has spent years in near obscurity with respect to his poetry. The publication of Paul's first full length book of poetry will finally establish this man as one of the most original and gifted voices of his generation. The imagery and cadence in Paul's poems is nothing short of miraculous. With very few words he is able to speak to our senses in a way that is at once reminiscent of some of the great poets, and at the same time, delivered in his own fiercely original and inventive voice. This long-awaited first book will please fans who have already discovered his writing, and will also open the doors for new readers to enjoy. This collection of poetry will become one of the more prized and admired works from a modern day poet. The world needs to KNOW what a fantastic writer this guy is. Seriously. One of the great unheralded writers of our time. - Victor D. Infante, "City of Insomnia" There is an abiding innocence throughout Paul's work that is impervious to the cynicism of our times, and that is the best thing of all, for it makes him one of the most gifted and original voices of our generation - AmÃ©lie Frank, author
