Les Murray

The Biplane Houses: Poems Les Murray

This is Les Murray's first new volume of poems since *Poems the Size of Photographs* in 2002. In it we find Murray at his nearmiraculous best. The collection-named for a kind of house distinctive to Murray's native Australia-exhibits both his unfailing grace as a writer and his ability to write in any voice, style, or genre: there are story poems, puns extended to poem length, history-and myths in miniature, aphoristic fragments, and domestic portraits. As ever, Murray's evocation of the natural world is unparalleled in its inventiveness and virtuosity. *The Biplane Houses* is ardent, eloquent, enchanting poetry.
