Almost a year after their wedding, and two since their daughter Fiona was rescued from a kidnapping by dark faeries, life has finally settled down for Caitlin and Edward. They maintain a façade of normalcy, but a family being watched over by the fae's Rogue Court is far from ordinary. Still, it seems the perfect time to go on their long-awaited honeymoon, so they head to New Orleans.

Little do they know, New Orleans is at the center of a territory their Rogue Court guardians hold no sway in, so the Court sends in Wraith, a teenage spell slinger, to watch over them. It's not long before they discover an otherworldly force is overtaking the city, raising the dead, and they're drawn into a web of dark magic. At the same time, a secret government agency tasked with protecting the mortal world against the supernatural begins their own investigation of the case. But the culprit may not be the villain everyone expects. Can Wraith, Caitlin, and Edward stop whoever is bringing the vengeful dead back to life before another massacre, and before an innocent is punished for crimes beyond her control?
