Intellectual Capital and Knowledge Management: Strategic Management of Knowledge Resources (Routledge Advances in Management and Business Studies) Federica Ricceri

It is widely held that the successful management of knowledge resources within industry creates value. However, how this value is created is less clear. This book explores the management of knowledge resources in organisations. Several of the frameworks which have been created around the world to manage knowledge resources are examined and the book contains several examples of these frameworks in action in order to assess their relevance.

The author revolutionizes the measurement and management of intellectual capital and knowledge resources by establishing the important link between organisational strategy and the intellectual capital of an organisation. Drawing on previously established frameworks, Ricceri creates a framework for the Strategic Management of Knowledge Resources. Ricceri's thorough analysis of the subject includes analysis and discussion of issues such as resources dynamics and stakeholder engagement.

From reader reviews:

Louise Reyes:

Book will be written, printed, or highlighted for everything. You can recognize everything you want by a book. Book has a different type. To be sure that book is important factor to bring us around the world. Close to that you can your reading ability was fluently. A e-book Intellectual Capital and Knowledge Management: Strategic Management of Knowledge Resources (Routledge Advances in Management and Business Studies) will make you to end up being smarter. You can feel considerably more confidence if you can know about anything. But some of you think in which open or reading any book make you bored. It isn't make you fun. Why they can be thought like that? Have you trying to find best book or appropriate book with you?

Justin Perry:

What do you about book? It is not important together with you? Or just adding material when you really need something to explain what yours problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is make you feel bored faster. And you have free time? What did you do? Everyone has many questions above. They should answer that question since just their can do that will. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this particular Intellectual Capital and Knowledge Management: Strategic Management of Knowledge Resources (Routledge Advances in Management and Business Studies) to read.

Richard Vaccaro:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Intellectual Capital and Knowledge Management: Strategic Management of Knowledge Resources (Routledge Advances in Management and Business Studies) can make you really feel more interested to read.

Patrick Bergeron:

What is your hobby? Have you heard that question when you got college students? We believe that that query was given by teacher to their students. Many kinds of hobby, Every person has different hobby. And you know that little person just like reading or as examining become their hobby. You should know that reading is very important and book as to be the thing. Book is important thing to add you knowledge, except

your own personal teacher or lecturer. You see good news or update in relation to something by book. Different categories of books that can you take to be your object. One of them is niagra Intellectual Capital and Knowledge Management: Strategic Management of Knowledge Resources (Routledge Advances in Management and Business Studies).
