La mirada encendida: Escritos sobre cine (Spanish Edition) Ángel Fernández-Santos

Ángel Fernández-Santos fue hasta su muerte, en 2004, la figura más prestigiosa y reconocida de la crítica cinematográfica española, no sólo por su titularidad desde 1982 como crítico del diario *El País*, sino porque para muchos aficionados al cine en nuestro país él encarnaba plenamente la condición de crítico cinematográfico y representaba una tradición en vías de extinción: aquella crítica capaz de aunar el conocimiento y la pasión, la atracción por el cine y la dimensión literaria de la escritura sobre cine, el compromiso y el placer del espectador atento y privilegiado.

Esta obra recoge, gracias a la extraordinaria tarea del crítico e historiador del cine Carlos Heredero, casi cuarenta años de críticas de películas, reflexiones sobre el cine y perfiles de directores y actores, y supone un imprescindible recorrido por el séptimo arte, su grandeza y su magia, de la mano de uno de sus mejores conocedores e intérpretes.
