## **Los símbolos en el principito (Spanish Edition)** Tomás Ramírez Ortiz

El simbolismo que encierra El Principito es el hilo que une el pasado del autor con su obra, una alegoría magistral relatada con gran sobriedad lingüística, con palabras que están llenas de un gran contenido. Las frases, las metáforas, la falta de ornamentos, establecen verdades con exactitud, con la precisión de un fabricante de mecanismos de relojería, todas son exactas, dicen lo que deben como lo dicen los versos de los grandes poetas. El libro Los símbolos en El Principito va más allá del texto y se adentra en el terreno especulativo del pretexto, porque las cosas tienen tantas facetas como medios hay para servirse de ellas. Este libro trata de transmitir la interpretación que Tomás Ramírez, en un lugar mágico suspendido entre Europa y África llamado Tánger, allá por los años cincuenta, otorgó a los numerosos símbolos y personajes, para ofrecer un nuevo matiz desde el que mirar esta magnífica obra de Antoine de Saint-Exupéry.
