Every year, Troy and Piqua line up on the gridiron to determine supremacy within Miami County. Stretching back well over a century, it is one of the most-respected rivalries in the state and nation. Even after 130 meetings between the two schools, neither team has been able to gain a decisive edge in the series: the rivalry is tied at 62-62-6. The two teams have battled for league championships, for playoff titles and--most importantly--for bragging rights and pride. This is a story of the most prolific rivalry in the rich history of Ohio high school football, from its nerve-wracking moments to its beloved coaches and players.
