Poems 1955-2005 Anne Stevenson

Anne Stevenson is a major American and British poet. Born in Cambridge of American parents, she grew up in the States but has lived in Britain for most of her adult life. Rooted in close observation of the world and acute psychological insight, her poems continually question how we see and think about the world. They are incisive as well as entertaining, marrying critical rigour with personal feeling, and a sharp wit with an original brand of serious humour. "Poems 1955-2005" is a remaking of Anne Stevenson's earlier Collected Poems, drawing on over a dozen previous collections as well as new poems, with this book's new thematic arrangements emphasising the craft, coherence and architecture of her life's work.
