The Survival Guide for Newly Qualified Child and Family Social Workers: Hitting the Ground Running Helen Donnellan, Gordon Jack

So, you've passed your degree and have started your first job. But are you confident about translating the theory into practice? Are you prepared to juggle the workload of a busy social worker? Do you have a plan for your continuing professional development? This practical guide provides a wealth of suggestions to help you to hit the ground running in the early stages of your new career.

The book will guide you over the initial hurdles you will face in the transitional phase from student to employee. The Survival Guide for Newly Qualified Child and Family Social Workers provides a range of strategies for managing your time and workload, and offers suggestions for finding support, coping with stress and maintaining job satisfaction. Ways of handling difficult situations – with colleagues, managers and other professionals, as well as service users – which may be new and challenging are also explored. Each chapter concludes with a checklist of key points as a ready reference for practitioners preparing to face the daily challenges of their new professional status.

This invaluable guide will be an essential support for all students, post-qualification and returning practitioners specialising in the fields of child and family social work in sustaining their commitment to their chosen profession and working successfully within it.

Why, because book serves what you want and wish in this era.

Edward Yung:

You may spend your free time to learn this book this publication. This The Survival Guide for Newly Qualified Child and Family Social Workers: Hitting the Ground Running is simple to bring you can read it in the park, in the beach, train and soon. If you did not have much space to bring the particular printed book, you can buy typically the e-book. It is make you quicker to read it. You can save the particular book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Ophelia Ellis:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Survival Guide for Newly Qualified Child and Family Social Workers: Hitting the Ground Running can make you truly feel more interested to read.
