## **AWARE (Spanish Edition)** Vicente Haya

Desde su retiro en el Templo Kôfukuji en Nagasaki, Vicente Haya –considerado ya como el mayor experto en haikus de lengua castellana– acomete en *Aware* la prodigiosa tarea de explicar en un solo libro todo lo que hay que saber sobre haiku. El autor establece 88 puntos fundamentales a fin de entender el haiku, y para ilustrarlos traduce directamente del japonés 262 haikus. Muchos de ellos –y no pocos de autores célebres– contienen errores que, con magistral claridad, Vicente Haya va diseccionando para que podamos captar y entender en qué consiste un buen haiku. Su lectura es tan amena como apasionante, ya que va desde la crítica mordaz a un tono poético que entra en el ámbito de lo místico. De ahí que haya titulado este libro *Aware*: el término que resume la noción de emoción estético-religiosa que en el japonés despierta la Naturaleza.
