Evaluation of Quality of Care in Psychiatry: Proceedings of a Symposium Held at the Queen Street Mental Health Centre, Toronto, Canada, 1979

Evaluation of Quality of Care in Psychiatry: Proceedings of a Symposium Held at the Queen Street Mental Health Centre, Toronto, Canada, 1979

Evaluation of Quality of Care in Psychiatry covers the proceedings of the symposium on Quality of Care in Psychiatry. The book discusses topics relevant to the evaluation of the quality of psychiatric care.

Comprised of nine chapters, the book first tackles quality assurance in health care, and then provides a follow up discussion on this topic in Chapter 2. Chapter 3 discusses the 10 assumptions that cripple psychiatrists' participation in quality assurance activities, and then Chapter 4 provides a reactive discussion on this topic. The fifth chapter talks about evaluation of patient care and hospital accreditation. Chapter 6 discusses peer review and the use of psychotropic drugs, while Chapter 7 covers the complimentary discussion on the topic Chapter 6 covered. The eighth chapter talks about the peer review of outpatient psychological services and the ninth chapter provides an afterthought about Chapter 8. Chapter 10 covers the panel and general discussions on the symposium, while Chapter 11 provides the concluding remarks and conference overview.

The book will be of great interest to professionals such as psychologists and psychiatrists or even regular readers, since the text covers a very important issue that is a big concern of the society.

From reader reviews:

Bradley Simpson:

Reading a publication tends to be new life style in this particular era globalization. With reading you can get a lot of information that can give you benefit in your life. Having book everyone in this world could share their idea. Publications can also inspire a lot of people. Lots of author can inspire their very own reader with their story or perhaps their experience. Not only the storyline that share in the publications. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some investigation before they write with their book. One of them is this Evaluation of Quality of Care in Psychiatry: Proceedings of a Symposium Held at the Queen Street Mental Health Centre, Toronto, Canada, 1979.

Don Morris:

Is it you actually who having spare time subsequently spend it whole day simply by watching television programs or just lying on the bed? Do you need something totally new?
