## **Medea** Euripides

Euripides's "Medea" is one of the great dramatic tragedies from classical antiquity. It is the story of its title character, Medea, the wife of Jason of the Argonauts, who seeks revenge upon her unfaithful husband when he abandons her for a new younger bride. "Medea" broke many of the dramatic conventions of the time when it debuted and it is for this reason that it stands as one of the greatest of all works from the classical age of drama.
