All's Well that Ends Well (The New Cambridge Shakespeare)

William Shakespeare

All's Well that Ends Well (The New Cambridge Shakespeare) William Shakespeare

For this updated edition of All's Well, Alexander Leggatt has written a wholly new Introduction to one of Shakespeare's most puzzling, ambiguous and demanding plays. Leggatt's interest in performance informs his introduction and his account of the instability of the main characters. He offers a full, illustrated and thoughtful account of the play's critical and theatrical fortunes to the end of the twentieth century, and of our experience as an audience of seeing and hearing it performed. An updated reading list completes the edition.
