Spiritual dreams and goals are often shattered by personal failures and shortcomings. Obedience to God's way often seems to be in vain as old patterns of behavior dominate lifestyles. All because, while hearts are renewed, minds very often don't follow suit. In this practical and interesting book, readers will discover how to let God guide and direct their thoughts. Stephan Joubert presents a biblical view of how the mind works and what it really means to let God renew the mind.

Readers will find that the key to following in the footsteps of the great heroes of the Bible lies in thinking God's way. God has not kept the secret to a renewed life hidden. It's all in the Bible. Readers will find that the way to spiritual maturity is through learning to give their thoughts to God and to adjust their way of thinking to correspond with His view of life.

GOD-CONTROLLED THINKING will help readers to experience new dimensions of spiritual living through surrendering their minds to God. It is possible to live an abundant and victorious life.
