La guerra y la paz (Spanish Edition) Santiago Gamboa

Santiago Gamboa se propone, con este ensayo, hacer un aporte a la reflexión que hoy se plantea el país acerca de los temas del conflicto y la reconciliación. Y lo hace por medio de un rico e ilustrador viaje a través de la historia, para mostrar las distintas caras de la guerra y el camino que otros pueblos han recorrido en la construcción de la paz, la creación más elaborada y valiosa de la civilización. La paz, afirma Gamboa, será posiblemente el más decisivo y contundente de todos los combates librados por la sociedad colombiana en las últimas décadas.

A lo largo de este libro pretendo interrogar, desde una perspectiva humanista y cultural, el modo como la guerra ha ido transformando a las sociedades y lo que ha significado la paz en algunos momentos claves. Y aunque no soy un historiador ni un teórico, he querido ver los avatares de esa experiencia a través de la historia, la literatura, la filosofía e incluso las religiones; también, en algún caso concreto, desde mi propia experiencia directa de cronista y viajero curioso.
