Nell'acquario 2 (Italian Edition) Danilo Coppola

Secondo episodio della Saga di Nico Cordola (il primo, Nell'acquario, è stato di recente ripubblicato sempre da youcanprint), eroe antieroe di matrice salentina che conserva la propria ingenuità provinciale con cui osserva il mondo con originale disincanto ironico, a tratti sarcastico, Nell'acquario 2, narra le vicende dell'alter ego letterario dell'autore, che lavora come arredatore in una multinazionale del milanese, attività che gli fornisce un osservatorio antropologico privilegiato da cui guarda ai cambiamenti di un paese, come l' Italia, che continua a pensare di poter andare sulla luna in groppa da un asino. Nico Cordola si muove fra Milano ed Ostuni, suo paese di origine, dove torna a trovare i suoi anziani genitori, di quando in quando, e in questo suo peregrinare fra due autentici poli opposti del paese si imbatte in un campionario umano ed esistenziale che fornisce la cifra di un paese sostanzialmente monolitico, abbarbicato ai privilegi di sempre e incapace di confrontarsi con la modernità.

From reader reviews:

David Veal:

What do you think of book? It is just for students because they're still students or that for all people in the world, exactly what the best subject for that? Just you can be answered for that issue above. Every person has diverse personality and hobby for each and every other. Don't to be forced someone or something that they don't wish do that. You must know how great in addition to important the book Nell'acquario 2 (Italian Edition). All type of book could you see on many solutions. You can look for the internet methods or other social media.

Michelle Wilson:

As people who live in the modest era should be update about what going on or information even knowledge to make them keep up with the era that is certainly always change and make progress. Some of you maybe will certainly update themselves by reading books. It is a good choice in your case but the problems coming to a person is you don't know what one you should start with. This Nell'acquario 2 (Italian Edition) is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Carolyn Treece:

Would you one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Try to pick one book that you just dont know the inside because don't judge book by its include may doesn't work the following is difficult job because you are afraid that the inside maybe not as fantastic as in the outside appearance likes. Maybe you answer could be Nell'acquario 2 (Italian Edition) why because the amazing cover that make you consider regarding the content will not disappoint you actually. The inside or content is usually fantastic as the outside or perhaps cover. Your reading 6th sense will directly show you to pick up this book.

James Scott:

Reading a publication make you to get more knowledge from this. You can take knowledge and information coming from a book. Book is created or printed or illustrated from each source which filled update of news. With this modern era like currently, many ways to get information are available for a person. From media social like newspaper, magazines, science publication, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you ready to spend your spare time to spread out your book? Or just looking for the Nell'acquario 2 (Italian Edition) when you required it?
