Seconds Out (Wired Up) Dan Tunstall

Andy is a troubled teenager. Fighting is the only thing he's good at, it gives him his reputation, and he does a lot of it - so much that he's going to be expelled *and* dumped if he can't change his ways. The Head suggests a boxing club, but Andy reckons boxing is for wusses ... until he's knocked out in his first match by a kid half his size. Now Andy faces losing his reputation at school - and that's about all he has left. Will boxing be Andy's doom, or his salvation?

Highly readable, exciting books that take the struggle out of reading, **Wired Up** encourages and supports reading practice by providing gripping, age-appropriate stories for struggling and reluctant readers, or those with English as an additional language, aged 11+, at a manageable length (80 pages) and reading level (9+). Produced in association with reading experts at **CatchUp**, a charity which aims to address underachievement caused by literacy and numeracy difficulties.
