Spellbound: Woman and Witchcraft in America (The Worlds of Women Series)

Spellbound: Woman and Witchcraft in America (The Worlds of Women Series)

Spellbound: Women and Witchcraft in America is a collection of twelve articles that explore crucial events in the history of witch-hunting and its demonization of women in America and American women's own use of witchcraft as a source of identity and strength, as well as the complicated relationship between the two. Beginning with the accused 'witches' of colonial America, *Spellbound* extends its focus through the nineteenth century to explore women's involvement with alternative spiritualities, and culminates with examinations of the contemporary feminist neopagan and Goddess movements.
